Kinship Care

Kinship Caregivers are— Grandparents, Aunts/Uncles, Cousins, Adult Siblings, and Close Family Friends raising children when parents are unable or unavailable to care for them.

- ♦ Kinship Care refers to the temporary or permanent arrangement in which a relative or non-relative adult, who has a relationship with a child, has taken over the full-time care of that child.
- ♦ Kinship caregivers' voluntary commitment to devote their lives to the children in their care is a courageous and life-changing decision.

Support Group

A support group has been established for kinship caregivers along with a kids group to share hopes, victories, challenges, and information. The groups meet the first Monday of each month. Please contact us for more information at 440-998-1811
